# SUPER BOSS:

Be the Boss Everyone Wants  
While Accelerating Your Career

Discover more free career planning tools [here](#)

Being a great boss to your employees doesn't just help them. It helps you, too. A great boss is able to please his employees and his boss. In fact, those two goals have more in common than you might think.

**Answer these questions to gain a better perspective of your situation.**

1. Do I currently have the most helpful employees in place? Do I have the option to change my team members? If so, what changes should I make?

---

---

---

---

---

2. What do each of my employees want long term? How can I help them to reach those goals?

---

---

---

---

---

3. How can I set a better example for my employees?

---

---

---

---

---

4. What does my boss need? How is she judged by her boss?

---

---

---

---

---

5. What are the strengths and weaknesses of each of my team members?

---

---

---

---

---

6. How can I communicate more effectively with my employees? What do they need to know?

---

---

---

---

---

7. What are my career aspirations?

---

---

---
